

WHY YOU SHOULD BECOME A KNIGHT

By becoming a part of the world's largest and most dynamic Catholic, family, fraternal service organization; you will be united with nearly 2 million Brother Knights and their families in over 15,000 local councils in Canada and many other countries of the world.

Share in the sense of pride all Knights feel in knowing that their Order is second to none in support of our Holy Father, our Bishops and Priests; in working for our fellow man, and especially those most in need.

Your personal involvement as a Knight will provide opportunities in Charity and Fraternity, for service to the Church; to your communities; and to the less fortunate in our midst.

Your participation in Council affairs: spiritual, fraternal, family, social, civic-oriented, athletic and recreational – will serve as a school of leadership and enable you to develop qualities that enhance your strengths and abilities.

You will enjoy a sense of “belonging” in an organization that shares your religious beliefs, brings together like-minded men joined in a common cause, and offers the opportunity to develop and cement friendships for years. It is a way for you and your family to meet new friends!

Your concerns for your family and for your retirement years can be addressed by the Order's low-cost insurance and Fraternal Benefits program, conducted by brother Knights for brother Knights, and assure your families' security and your peace of mind. KofC Insurance is available to most, but it is voluntary.

**The Knights are a Catholic, Family and Fraternal Service Organization.
As A Knight the time commitment is entirely up to you!**
